Petition Submission Deadline: 4 p.m PST., May 25, 2021. Petitions must be submitted in a single email to ElectionCommitteeCWALocal1400@gmail.com. Petitions not received by the deadline and/or partial petitions will not be considered.

Petition Requirements: For this election, the CWA Local 1400 petition process as described in the bylaws has been modified to ensure members have a reasonable opportunity to nominate candidates, given the current COVID-19 health concerns and limited number of members in workplaces.

Petition signatures must be those of members in good standing. A member is generally in good standing if that member has signed a membership application card, has been accepted, has had voluntary dues paid as of May 1, 2021, has not voluntarily withdrawn from membership, and has not been sent a notice that their membership was terminated. Good standing terminates when a member resigns from employment with Alphabet. Termination and resignation of membership are governed by the CWA Constitution, Article V, Section 4 and the Local 1400 By-Laws, Section 4.

For this election, a petition “signature” is either (a) a hand-written signature and printed name on the nomination petition, or (b) an email from a member that includes their name, the name of the person they are nominating, and the position they are nominating for (printed).
